\*Tentative Data

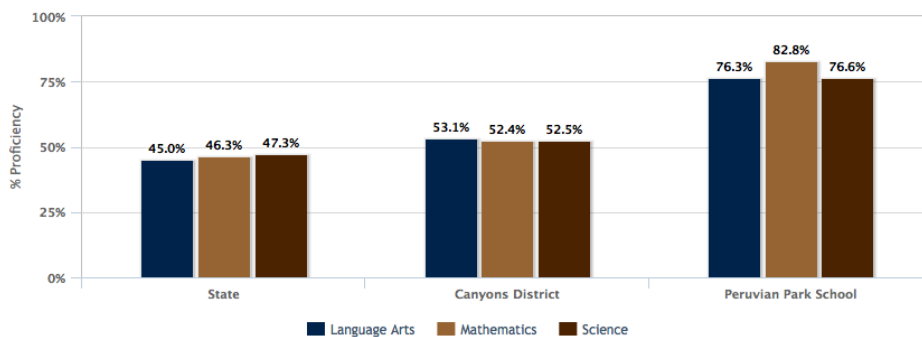

Peruvian Park Elementary School Community Council determined that School Land Trust funding for 2017-18 be used to increase the reading achievement of students identified as reading below benchmark as measured on DIBELS oral reading fluency and SRI testing and the math achievement of students identified at below benchmark on DIBELS computation assessment. Students received daily intervention support from intervention assistants under the direction of the achievement coach. Approximately \$35,000 of the allocated School Land Trust funding of \$52,475 was used to hire five assistants to provide reading and math interventions and substitutes for teachers to participate in instructional coaching. Materials and technology were purchased for students, teachers, and assistants to use during intervention time, \$15,100. The remainder of the funding provided teachers with substitute teachers for coaching and professional development.
