LEARNING ENVIRONMENT REQUEST FORM 2022-2023 School Year

Near the end of each year, grade level teachers get together to form classes for the next school year that provide balanced positive classrooms for our students. Teachers consider academic, social, and behavioral performance, as well as the girl/boy ratio and special needs. If you have unique concerns about your child's class placement based on educational needs, please complete this form to assist us in finding the appropriate learning environment for your child. This form is due to the school by **April 30, 2022**. Please email your completed form to leslie.jewkes@canyonsdistrict.org.

Student Name _____ Date _____

Current Grade _____ Current Teacher _____

Parent/Guardian Name _____ Phone # _____

Please describe the educational setting your child needs in order to best meet his/her educational needs. If there are other students in your child's grade level that he or she should be separated from, please include this information and describe the reason.
